

## Benefiting Members and the Surveying Profession

The National Society of Professional Surveyors has an active government affairs program that protects the interests of the surveying and mapping professions in the federal legislative and regulatory arenas. Working with a government affairs consultant, NSPS monitors federal government activities that may be of interest and concern to our members. The consultant works closely with members of the NSPS Government Affairs Committee and our Executive Director to represent members' interests before Congress and Executive Branch Agencies.

**Plus, we offer members these professional benefits:**

### Advocacy Programs

- Political Action Committee Jefferson Club (*contact NSPS to learn more*)
- Assistance on state-specific matters
- Other geospatial organizations, such as the International Federation of Surveyors (FIG) and the Coalition of Geospatial Organizations (COGO)
