The Vermont Society of Land Surveyors is pleased to announce its **2024 Fall Conference**, which will be held September 12-13 at the Fireside Inn in Lebanon, NH. We cordially invite you to reserve a booth for our exhibit show and sign up to present a product demo during our Tech Time block on Friday afternoon.

The preliminary conference schedule and registration form are attached. There will be several opportunities for exhibitors to meet with attendees, both informally at meals and breaks, but also during our scheduled Tech Time demos. I am still finalizing the program, but will make every effort to foster interaction with our attendees.

Friday afternoon we will break our attendees into groups and circulate them through participating exhibits for equipment demos. Exhibitors must commit to this ahead of time so we know how many will be doing demos. Each demo will be 20-minutes in length, followed by a 10-minute break. We have 6 spots available. Accommodations can be made to move the demo out of doors into the (very large) parking lot.

Please take a look at the attached schedule and return the registration form and payment by August 1, 2024. Rooms are available at the Fireside Inn for a rate of \$120 per night, plus tax. This is based on availability, so please make your reservation soon if you'd like to stay. Call the reservations desk at (603) 298-5900.

We look forward to seeing you! Please feel free to call me with any questions.
